Marriage License.

Following are the license to marry issued by the clerk of the county court since Thursday of last week: N. E. White and Leona Walker, Ben Hatley and Emma Alston, J. W. Luper and Elizabeth Nowell, Alfred Briant and L. M. Pafford.

A Successful Fishing Party.

Several successful fishing parties have been made up in Camden this spring, but the most successful was composed of Messrs. W. F. Bivens, W. C. Benton, M. D. McElyea, W. F. Maiden, John W. Arnold, W. C. East, and S. L. Peeler, who went to Bateman's Slough last Tuesday and caught about 70 pounds, the most of which were trout.

An Inaccessible Place.

We dislike to criticise any one, much less an honorable court, but really the order of the county court as to building the new hitching racks on the Robins' lot surpasses our comprehension for the good there is in it. The racks can not be approached except through a narrow alley that is almost impassable. To get to the racks is like going into a jug through a funnel: you may get in, but how are you going to get out?

An Earnest Request.

I most earnestly desire the attendance of every christian person in Camden at the Methodist Church next Wednesday at 8 o'clock p. m. There will not be a strawberry festival, but religious services in which all are expected to participate. I desire, also, the presence of those who do not claim to be christians. The subject for scripture reading and meditation is "Truth."

Respectfully,

J. G. JONES.

June 4, 1890.

MARRIED.

HATLEY-ALSTON—On Thursday, May 29, 1890, at the residence of Mrs. R. L. Mitchell, Mr. Ben Hatley to Miss Emma Alston. Esquire Buck Barker officiating.

Mr. Hatley is one of Camden's best business men, and his bride is an amiable, popular lady. We join with numerous friends in extending best wishes.

BRIANT-PAFFORD—On Wednesday June 4, 1890, at this county, Mr. Alfred Briant to Mrs. L. M. Pafford, Rev. A. C. McKee, of Camden, officiating.

May they enjoy a peaceful and prosperous married life, is the wish of numerous friends.

Republican Convention.

The Republicans of Benton County met at the court-house at this place last Monday to select delegates to the State Republican convention.

D. J. Allen was elected chairman, and W. F. Maiden secretary.

The following is a list of the delegates selected, who go to the convention uninstructed for governor, but are instructed for Hon. W. W. Murray to fill vacancy on the supreme bench:

First district, C. F. Clark; second, W. F. Baber; third, John McGlohn; fourth, John Allen; fifth, Jerry Thompson; sixth, W. S. Rashing; seventh, P. M. Farmer; eighth, W. Caraway; ninth, S. Clement; tenth, Robert Holland; eleventh, John Hatley; twelfth, T. H. H. Presson; fourteenth, J. F. Smithers.

This is a Shame!

The Camden Cemetery is needing repairs. Stock roam at will over the grass and beautiful flower beds, and commit desecration to the one and destruction to the other. We deem it unnecessary to urge early repairs, or a new fence if needs be, as there is not a family in or around Camden that does not have near relatives or dear friends buried there. We should remember kindly our departed ones, and keep their last resting places as sacred spots, to be made beautiful as our own dear homes.

Mr. A. C. McRae has a balance on hand that was raised some time ago, and we solicit the calling of a public meeting to decide what is best to be done about putting the cemetery in good condition, and in what way to raise the money, if the amount now on hand is not sufficient.

We are Not Directly Responsible!

It was reported to us last week that there was to have been "foot-washing" services at Flat Woods last Sunday. Flat Woods is one of the strongest Methodist congregations in Benton County, and the Methodists do not observe foot-washing service, instead, last Sunday was observed by the Flat Woods congregation as "children's day." The church was handsomely decorated, a large crowd in attendance, and everything passed off in an enjoyable way. Dinner was served on the grounds.

Upon authority of Judge Scruggs and Assessor McAuley, we published that the board of equalization was to have met last Monday, while, in fact, the board does not meet until next Monday. The mistake was made on the part of the above named gentlemen from the fact that in the larger counties of the State the board meets on the first Monday in June, while in the smaller counties the meeting does not take place until the second Monday.
